

PARTNERSHIP

FOR FINANCIAL PROFESSIONALS

SA BULLION

At SA Bullion we
believe in collaboration.
Our products provide
financial professionals
with the tools to
empower their clients'
financial choices.

SA Bullion is the only regulated financial firm in South Africa that offers a gold bullion investment service outside the banking system, to everyone.

BECOME A PARTNER

SA Bullion's success over the past 10 years can largely be attributed to the relationships we hold with our financial advisors and intermediaries worldwide. As Africa's first investment manager in gold bullion, we are proud of our distribution agreements with IFAs and intermediaries, without which we would not be here today. To this extent, we consistently work to evolve our business model and products to support you.

Benefits for your clients

- 01 Introduce clients to directly owned physical gold.
- 02 Unlock clients' access to assets held outside the banking system.
- 03 Provide your clients with an innovative portfolio diversifier and Rand-hedge.
- 04 A complete solution for physical gold ownership.

Benefits for you

- 01 Intermediate business into physical gold and help your clients to achieve physical gold ownership.
- 02 Derive a fee income for assets held under management with SA Bullion.
- 03 Underpin your investment book with a strong Rand-hedge, thereby aligning your business interests with those of your clients.
- 04 Engage with one of the most innovative financial products in gold investments.

Our offering

SMART SAVING / FACILITY FOR SAVING

Our savings product option has been designed to help your clients reach their savings goals quicker by automatically converting their cash into gold, the surest currency on earth.

BEDROCK INVESTMENT / FACILITY FOR INVESTMENT

Our investment product option has been designed to enhance your clients' financial portfolios by enabling a portion of their portfolio to be allocated to gold, outside of the banking system.

These solutions apply to both the BullionGold Facility and BarakaGold Facility.

Fee structure

Your Initial Earning

The Initial Fee is levied on the amount invested, in respect of your advice and intermediation. This fee is negotiated between you and your client. Initial fees are settled weekly.

Your Ongoing Income

Your client pays an ongoing, fixed fee of 2% p.a to SA Bullion. SA Bullion distributes 25% of fees earned to you, as our business partner. This amount is billed monthly in arrears via debit order. Ongoing fees are settled monthly.

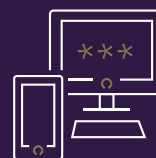

For investment amounts over R 5 million, please enquire about our performance based fee structure.
